

# Diary Dates

Westmead Private Hospital is very pleased to offer the following GP educational opportunities for 2010. So grab a pencil and mark these dates in your diary.

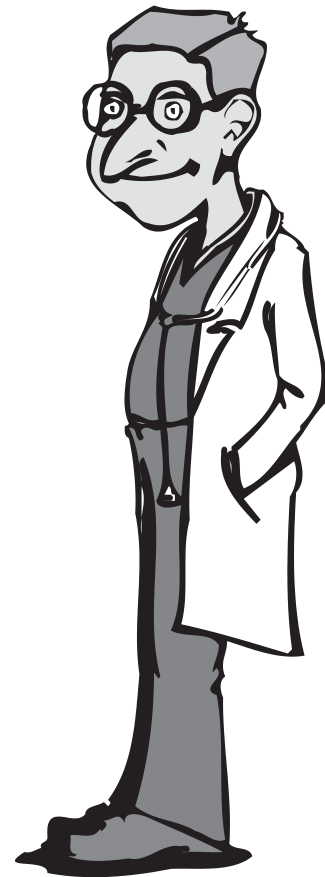

All activities Category 2 (2 points per hour) unless otherwise specified

- 23 March      **Women's Business**  
 Looking at non obstetric things that happen to obstetric patients plus benign and malignant gynaecological problems
- 22 May        **Sirens & Scrubs**  
 An ALM in Emergency Medicine 40 Category 1 points Featuring neurological emergencies in adults & children, paediatric emergencies, fits, faints & funny turns, hand and abdominal injuries plus much more
- 20 July        **Treasure Chest**  
 Paediatric Cardiology (congenital) – What is important for General Practitioners, how to “work up” breathlessness and an update on arrhythmias
- 7 September    **Make No Bones**  
 Common problems in shoulders, foot problems and paediatric orthopaedics
- 16 November   **X-posed**  
 A mixed bag featuring.... lumps and bumps in the head and neck, dermatology: an update on radiology - methods of diagnosis – what to order for what condition

All sessions will be held at Westmead Private Hospital, Conference Room.

Full program details for sessions will be sent out prior to each event, you will need to register for each evening you wish to attend on the fax flyer for that event.

For further information, please contact Sandra Southwell on email southwells@ramsayhealth.com.au or call 0416 233 379
